

Calgary Equity Index: Core Housing Need - Owner (%) By Census Tract

Percentage of owner households that are in core housing need. Core housing need refers to whether a private household's housing falls below at least one of the indicator thresholds for housing adequacy, affordability or suitability, and would have to spend 30% or more of its total before-tax income to pay the median rent of alternative local housing that is acceptable. The Calgary average for this indicator was 5.7 in 2021.
